**GENERAL INFORMATION**

- If you need electricity in the Amphitheater, there is an outlet near the wooden platform at the bottom of the Amphitheater. Chapel Hill and Lakeside Chapel do not have electricity. Baker Chapel has outlets along the walls.
- We recommend the wedding party consider wearing flat shoes. High heels can be difficult on the steps and uneven stones of the Amphitheater floor or on the softer ground at Chapel Hill or Lakeside Chapel.
- The wedding party is responsible for any directional signs around camp to point your guests to the site of your wedding.
- The cabin that is available for you to get ready in has a dividing wall that pulls shut to turn the cabin into 2 rooms with a bathroom on each side of the cabin. This is a great way for the bride and bridesmaids to get ready on one side of the cabin and the groom and groomsmen to get ready on the other side.
- If you are using Rice Hall as your rain location; it is the responsibility of the wedding party to set up the chairs.
- In the case of an emergency, the retreat host can be reached by calling the office at 724-865-2161 and selecting option #2 to be forwarded to the on-call staff.
- If you are renting chairs and/or tables for Dogwood Pavilion, please let Lutherlyn know. Often rental companies come to the office by default, and it is helpful if we know where to direct them.
- Lutherlyn's office hours are Monday-Friday, 9am-5pm. If you have additional questions or concerns please have the one contact person for the wedding call or e-mail the office at 724-865-2161 or registrar@lutherlyn.com.
