

# Friendship Bracelet Instructions:

Here are the instructions for 2 different knots/options for friendship bracelets:

- A - Create a loop with your string off to the left side.
  - B - Pull your string end through the loop.
  - C - Pull your string tight.
  - D - Holding all of the other strings taught, pull the single string upward until your knot reaches the top.
- Repeat steps A-D over and over again. Count how many knots you make. Switch colors and repeat the same number of knots.

**1**

Start with string **1** and loop it over and then under string **2**. Hold string **2** straight (this is important) and pull the knot snug.

**2**

Do step **1** a second time so you have a double knot.

**3**

Now take string **1** and make double knots around each of the remaining strands (**3** and **4**), left to right. This is the string you'll be working with next.

**4**

Now do the same thing again. Start with the far left strand **2** and tie double knots, left to right, all the way across the other colors.

**5**

Keep going until the bracelet is as long as you would like.

**6**

Gather the strings and tie a knot to secure. Trim the ends to about
