

Dear Campers & Families,

Thank you so much for spending your week with us at Lutherlyn. We hope you had a great experience full of Life-Changing Adventures in Faith!

Photos from Friday (including closing worship) will be added to the SmugMug site on Sunday. Visit: www.lutherlyn.smugmug.com (password: adventure).

Due to the number of people that come and go from our cabins and the rise in the bed bug population in the eastern United States, we advise all our campers to wash all their clothing and bedding (even things that you did not wear) in hot water when you get home. Run your sleeping bag, pillow, and any stuffed animals through the dryer on hot. We are diligent about checking our cabins for bed bugs regularly but, unfortunately, bed bugs and bed bug eggs can travel with people who have been to a place with bed bugs and then bring them to another bed (potentially camp) with their luggage/bedding. We encourage all our guests to take this precaution anytime that you travel, not just to Lutherlyn.

Now the fun stuff.... Guess what???.... Lutherlyn isn't just summer camp! There are things to do at camp all year long for you, your friends, and your family! Upcoming events include Grown-Up Camp, Quilting/Crafting Retreats, Halloween Family Fun Day (including trick-or-treating at the cabins), Advent Retreat, Saturday Safaris, Winter Retreat, Woodland Quilt Show, Blacksmithing Classes, and many other exciting retreats and events. Please go to www.lutherlyn.com for more details and for on-line registration. Also, encourage your family to "like" Camp Lutherlyn on Facebook for announcements and reminders about all the exciting things going on at camp.

It was great to have you here this week! Please spread the word about Lutherlyn to your friends and bring them with you to camp next summer! We also hope that you will remember that working at Lutherlyn is an AWESOME summer job when you are 16 and older.

We look forward to seeing you again soon for more LIFE-CHANGING ADVENTURES IN FAITH at LUTHERLYN!

Details and registration information for all the retreat and events at Lutherlyn can be found at www.lutherlyn.com.

We hope to see you again soon!
