

Day 3: Hand Cactus

Supplies:

- Construction paper (Whatever color you want your cactus and pot to be)
- Your hand
- Markers
- Scissors
- Glue

Description/Directions:

- Take your hand and trace it onto the paper for your cactus.
- Use the markers to draw the spines of the cactus.
- Draw a half oval onto the paper for your pot.
- Cut a small piece of paper to serve as the water tray of the pot.
- Glue the water tray to the bottom of the pot.
- Glue the hand cactus to the top of the pot.
- Decorate the cactus and pot however you would like!
